TRIAL OF THE HOWITZER-Life-Saving Apparatus. -On Wednesday afternoon, a trial was had of the howitzer for throwing a line over a wrecked vessel, under the direction of Thomas Macy, Esq., which proved it to be an invaluable instrument for the purpose of saving human life. The howitzer consists of NOTICE.

All to be the best plantation for cold on the liver of the size on which there is a comfortable dwelling and necessary out; it may be regretted. The slaveholding States are ball about 7 pounds in weight, to which is attached, a small mortar mounted on wheels, and throws a by means of a staple, a small line, about the size of vessel, by means of which a larger line may be drawn from the shore. At one discharge, the ball was thrown a distance of seventy-three fathoms, which was pronounced by competent judges to be a sufficient distance to reach any vessel that may be cast upon our shores. Great credit is due the Massachusetts Humane Society for their praiseworthy efforts in behalf of the unfortunate mariner. Through the agency of R. B. Forbes, Esq , the President of this by Cape Fear Thoroughfare, Lyon and Buckle Creeks. Said land cannot be surpassed for timber of all kinds, especially upon the course which they shall pursue.
